- IMPORTANT NOTICE -

May 2014

Subject: Taber Products – Proprietary Designs

Taber instruments and abrasive formulations are proprietary designs of Taber® Industries and manufactured only by our factory in the United States. We hereby certify that Taber Industries is the sole manufacturer of the following instruments:

- Taber V-5 Stiffness Tester (Model 150-B or 150-E)
- Taber Grit Feeder Attachment (Model 155 or 255)
- Taber Wheel Refacer (Model 250)
- Taber Shear / Scratch Tester (Model 550 or 551)
- Taber Multi-Finger Scratch / Mar Tester (Model 710)
- Taber Sample Cutter (Model 5000)
- Taber Rotary Platform Abraser (Model 5135 or 5155)
- Taber Linear Abraser (Model 5750 or 5800)
- Taber Reciprocating Abraser (Model 5900)
- Taber Oscillating Abraser (Model 6160)

The abrasive wheels and Wearasers® are a proprietary formula comprised of silicon carbide or aluminum oxide abrasive particles embedded in a resilient or vitrified (clay) binder. Available through authorized Taber distributors, Genuine Taber abrasadants can be identified by a security label found on the wheel container (see example).
