## IMPORTANT NOTICE

### **Taber Industries Partners with R.B. Atlas Inc. to Coordinate SPE-1000 Field Inspection Approval**

North Tonawanda, NY — Taber Industries is pleased to announce that R.B. Atlas Inc. has been engaged to coordinate SPE-1000 Field Inspection Approval for our line of testing instruments. While our instruments are not currently SPE-1000 Certified, this partnership marks a proactive step toward ensuring compliance with Standards Council of Canada (SCC) requirements for Electrical Machinery.

We remain committed to product safety, quality, and regulatory compliance and R.B. Atlas Inc. brings extensive experience and a proven track record in navigating SPE-1000 Certification process. Their team works closely with authorized Standards Council of Canada representatives (such as eSafe, CSA, etc.) and possesses the technical expertise required to ensure a smooth and efficient approval pathway for Taber's instruments.

For further information, please contact Taber Industries at [sales@TaberIndustries.com](mailto:sales@TaberIndustries.com) or R.B. Atlas at [sandra@rbatlas.com](mailto:sandra@rbatlas.com).
